

4.2.4 Percentage per day usage of library by teachers and students (foot falls and login data for online access)not applicable (Data for the latest completed academic year)

Number of teachers and students using library per day over last one year.

- No. of student using library per day: 10
- No. of teachers using library per day : 05

Note: As our institution is Government institution due to lack of staff, Department library is managed by different departments of U.G. and P.G. and to record footfall in department library, departmental register is maintained. The Process of digitalization and automatization of the library is in process. The college is in constant contact with a concerned organization for speedy completion of the digitalization and automatization process of the library.
