7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

To keep pace with the competitive world and to challenge the global, scenario every institution has to strive hard to achieve its excellence in different fields. Keeping this view on its board the college is taking high strides towards excellence in various fields over the years. From the date of establishment, to till the date, the college has successfully achieved its excellence in infrastructure and student support facilities. This conspicuously shows that our college has reached certain distinctiveness from other higher educational institutions. Vision and mission of the college are to provide a better education for youth advancing towards the world leader nation-India and to produce the dignity of labour and make arrangements of providing the education against the labour.

Under the flagship of U.P. Govt., SGTBS Govt. College, Bilaspur was established in 1996 and is affiliated to M.J.P Rohilkhand University, Bareilly. The college was started as a co-educational institution with the aim of providing quality higher education to rural students, and enhancing their opportunities of learning and making them independent. It was hoped that educating rural students would not only change their own life but of the entire family and in turn the entire country. This was in keeping with the vision of our college is to provide low-cost quality higher education to the rural students of socio-economically weaker sections of the area in order to bridge the rural-urban divide and thus bring about holistic national development. It is, therefore, a matter of pride that our college presently has strength of around 2416 students.

The college campus is spread over in 11.96 acres. As per the requirements, college creates necessary infrastructure systematically and continuously with the needs of future vision. The college provides excellent physical infrastructure facilities such as adequate number of Classrooms, Staff room, restroom, Seminar Hall, Conference Hall, Library, Reading room, Servant quarters, Girls hostel, Sports ground (Athletic field), Basketball ground, Volleyball Ball ground, Badminton ground, T.T hall, yoga hall, Kho-Kho ground etc. The college has various laboratories for different subjects like Physics, Chemistry, Botany, Zoology, Geography, Computer lab. The college also provides a platform to students to enrich their communication skills and basic computer skills through computer lab respectively. Various ICT tools are used effectively or imparting education. The students are encouraged to make the class interactive.

All the faculty members are qualified as per UGC norms and selected by UPPSC, Prayagraj. At present 11 Permanent teachers in our college. In the institution, 8 teachers are Ph.D. holders and some of them are gold medalists in their respective subjects. In the college, U.G Courses such as B.A., B.Sc. B.Com. and P.G courses such as M.A, M.Sc. and M.com are running successfully. In Faculty of Arts there are 9 subjects at U.G. level and 8 at P.G. level while in Faculty of Science there are 5 subjects at U.G level and 5 Subjects at P.G. level. The college has also organized various National Seminars and Workshops sponsored by Dept. of Higher Education, U.P. and some N.G.O to energize and channelize the thought process of the intellectuals. Various activities such as competitions etc. are organized to impart awareness among students. Most of the students belong to socially and economically backward classes and their parents have low educational and career aspirations. Thus, counseling is provided to students as well as parents from time to time through parent-teacher meetings, career counseling and mentoring to motivate and encourage them to make the most of their education and potentiality also think of having a bright career. The college endeavors for the holistic development of the students through organizing various extra-curricular activities such as competition, sports, seminar etc. Besides teaching process, Departmental Association is constituted to develop reasoning and intellectual qualities of students. Under the banner of this association various competitions such as debates, essay writing, slogan writing, poster and quizzes, medicinal plants competition are organized. To share the social responsibilities and to develop the quality of leadership, NSS, Rovers and Rangers Units are actively working at local, state and national level. Presently 200 NSS

volunteers and 100 Rovers and Rangers are enrolled to participate in social work through rallies, awareness camp, tree plantation, cleanliness, extension activities etc. These units are working to develop quality of team spirit, leadership and discipline among students. In the ongoing Mission shakti programme of the govt. of Uttar Pradesh specially girls students, Under the banner of Physical Education, Rovers & Rangers, NSS, are trained in (Martial Art Training) for self defence. Apart from these, various departmental notice boards and career counseling notice boards are displayed and updated on regular basis. In short, our college is striving hard to enrich the knowledge, inculcate research aptitude and make the rural students come at par with the best students in India. Taking regular strides, we have thus been working relentlessly towards the achievement of our primary vision.
