About Bilaspur :

Welcome to Bilaspur, a small but beautiful town in Rampur District in West U.P. Located on the Delhi-Rampur National National Highway at a Distance of About 30 Kms. from Rampur. This town is known for its rich agricultural farms and beautiful landscape. Popular plantation, all around and a unique grace and grandeur. The scenic beauty of the place leaves the visitors spell-bound. A mixed population of the different communities presents a unique and rare example of cultural and religious harmony. Govt. degree college Bilaspur is situated in the lush green surroundings in the close vicinity of Bilaspur which provides a peaceful hub to the seekers of higher education, away from the noise and hustle bustle of city. College towers are dotted with rich flora. The beautiful retreat flows along the college buildings imparting life to the look of a Shantiniketan.

Respected Sir/Madam,

We have the pleasure to invite you in International Seminar on "Challenges to Ecosystem & Environment Towards Sustainable Development" organised by Paryavaran Mitra Samiti in association with Govt. P.G. College, Bilaspur, Rampur.

About the Seminar :

The last century was unique in the history of mankind. There was several development that took place during this century which have multiple effects on the physical & cultural conditions of the earth and its environment. Among them some are very remarkable such as explosion of population, developments in the fields of science, technology, transport, information industry, urbanization and growth of Philosophy of consumption, marketing, transport & quick diffusion in information, growth in accessibility, exploration of natural resources, demand and supply of resources to meet out the human needs and improve the quality of life. These factors not only raised the appetite of man but also provoked people to exploit the natural resources recklessly causing various physical, biological, environmental, ecological problems, loss of bio diversity and increase in occurrence and severeness of natural hazards.

The seminar on Challenges To Ecosystem :

Challenges to Ecosystem & Environment Towards Sustainable Development seeks a wide discussions on such problems. The main theme will revolve round the following heads :

- Water Resources In India
- Impact of Climate Change
- Resource Utilization & Conservation
- Environment & Sustainable Development
- Challenges to Bio diversity
- Challenges to E-Waste
- Impact of Green Revolution
- Agriculture and Organic Farming
- Urbanization & Environment
- Deforestation & Pollution

- Population Growth & Environment
- Disaster Management
- Effect of Radiation
- Success of Swachh Bharat Abhiyan
- Smart City Concept - Pros & Cons
- Disparity in Development

About The P.M.S. :-

Paryavaran Mitra Samiti was registered on 3rd Nov. 2004 but this Society was working for 5 years before its registration. P.M.S. works for general awareness about environment protection. It organizes rallies, workshops, competitions, plantation, street plays, stage shows & film making. It has produced 5 short movies named- "Waqt Ki Zaroorat (Water Conservation)", "Zehreela Dhuun (Electronic Waste)", "Jeevan Rekha (River Conservation)", "Ek Prayas (Swachh Bharat Abhiyan)", Life Style, "Jal" and "Jimm" These all can be watched on Youtube.

Paryavaran Mitra Samiti organised Four international seminars on 19th & 20th December 2015, on 26th Feb 2017, 25 Feb -2018 and 24 Feb. 2019. The seminars were very successful and were highly appreciated by the academic society.
